NERVOUSNESS SHORTENS LIFE

And Is Usually Caused by a Thin and Run-Down Condition of the Blood.

If you are nervous, always tired out and run down, impure blood is probably the cause. If you are pale, sleepless, irritable, have no ambition, suffer from headaches and backaches, you may be certain that the blood is at fault. Impure blood does more to hasten disease, unfit you for work and shorten life than anything else.

The man or woman whose blood is filled with impurities should remember that good, pure blood means health. Through the aid of Dr. Williams' Pink Pills for Pale People health is within your reach. They go straight to the blood, cleansing it of all impurities and giving it the elements which it lacks. For good appetite, healthy color, health and strength, they have no equal. What these pills will do when given a thorough trial is shown in the case of Mr. C. C. Wilson, of R. F. D. No. 6, Decatur, Texas, who says:

"From my eighteenth year I suffered with nervousness. It was brought on by exposure and overwork and lasted for twenty years. I was often confined to bed for weeks at a time and there seemed to be a depression of all of my energies. For years I couldn't sleep at night because of smothering spells. I couldn't get my breath until I sat up. I suffered from pains in the back. I generally weighed about 140 pounds but was reduced to 110 pounds."

"I was living in Missouri when taken sick and was treated by several doctors there. They finally told my father that he would have to move to Texas as I could not live through another winter in Missouri. The change of climate did not help me much. I was treated by several specialists but none gave me much relief. They all pronounced my sickness as nervous trouble. I had tried numerous medicines when my father wanted me to use Dr. Williams' Pink Pills. The pills seemed to hit my case and I began to feel better right away. I took several boxes of the pills and was cured."

A booklet, "Building Up the Blood," which is free upon request, will show what these pills have done. Dr. Williams' Pink Pills are sold by all druggists, or by mail, postpaid, on receipt of price, 50 cents per box; six boxes, \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

WILSON NOW RAKES RIVALS

[Associated Press Cable] INDIANAPOLIS, Ind., Oct. 3.—Governor Woodrow Wilson, in a speech before a great crowd here this evening, caused a sensation by the declaration that Colonel Roosevelt was incompetent to fill the position of President, as he had been tried in that position and found wanting. President Taft, likewise, he said, had been found wanting.

Over-Night Wireless To the Advertiser

The Balkan Mountain states' war clouds have lifted a bit. This means at present that the danger of conflict between Turkey and the united forces of Bulgaria, Greece, Serbia and Montenegro has only been delayed, not averted.

At the same time Greece, Serbia, Bulgaria and Montenegro will address a joint note to the great European powers, notifying them that unless Turkey yields to the ultimatum in three days, the Balkan Mountain states will endeavor to enforce the demand by recourse to arms.

Miss Anna Klumpke, who is expected in a few days from Honolulu, will be the recipient of much social attention during her stay in San Francisco. She will be a guest at the reception given by the Women's Press Association at the Sequoia Club on October 14.

William Sulzer, Representative in Congress from New York city for eighteen years, was last night nominated for Governor on the fourth ballot by the Democrats. It was the seventh time Mr. Sulzer had been a candidate for this nomination. Martin H. Flynn of Albany, former comptroller and Mr. Sulzer's leading rival, was named as lieutenant governor.

William D. Haywood, secretary of the Industrial Workers of the World, after a long conference with other labor leaders at Lawrence, Mass., today, announced that agitation for a general strike will be extended and that a nation-wide strike will follow if Ettore and Giovanni are not acquitted of the charge of murder, or if their trial is unduly prolonged by the prosecution.

A steamship flirtation between Miss Louy Schweitzer, daughter of a leading commission merchant of Honolulu, and Tracy Cummings, freight and passenger agent of the Chicago, Rock Island & Pacific Railroad, resulting in marriage in June, 1908, culminated in divorce yesterday before Judge Morgan.

Col. L. M. Mars, United States Army Medical Corps, told the convention of military surgeons meeting at Baltimore today, that the reported investigation had failed to reveal a single benefit from the use of alcohol. On the contrary, he added, it lessens the ability of resistance of many men in every line.

Three persons were fatally injured and eighteen others seriously hurt in a railway collision ten miles east of Buffalo, N. Y., this morning. Among the injured passengers was Miss Helen Gould of New York.

Rear Admiral Lucien Young, at one time commander of the Mare Island navy yard, in San Francisco, is dead in New York of an illness which resulted from a ruptured blood vessel in the stomach.

A joint demand upon China for immediate payment of arrears on the Boxer indemnity amounting to \$50,000,000 has been proposed by Russia to the other five interested powers.

BRIGHT'S DISEASE

We submit the following as our ideas of the probabilities under Fulton's Renal Compound in Bright's and kidney disease:

Where patients are seriously weakened and crises are expected, probably not more than ten to twenty per cent respond. Where physicians aid by holding up the heart, increasing the eliminations, etc., the efficiency can be increased. In cases where patients have from thirty to sixty days of life we look for correspondingly better results.

Where patients do not wait until bedridden and take the treatment on the appearance of the disease it is our belief that most cases respond with final recovery or prolongation of life. Albumen, casts and dropsy do not prevent recovery, provided the renal inflammation is attacked before the heart and recuperative powers are too greatly weakened.

Fulton's Renal Compound is used both with and without physicians' prescriptions. The motive of the Renal Compound being to relax the kidney (the Old School having nothing to reduce inflamed kidneys) it will be seen that the heart, eliminative and tonic treatment usually prescribed in Bright's and kidney disease do not conflict but are often required in extreme cases. It can be had at Honolulu Drug Co.

Ask for pamphlet or write John J. Fulton Company, San Francisco, Cal. We invite correspondence with physicians who have obstinate cases and
